## The Business Edge Archives Available

January 15th 2016: **Surviving the Entrepreneurial Journey**

What does it take to have an entrepreneurial mindset and how to overcome some of the mental roadblocks challenges an entrepreneur faces. As a serial entrepreneur Raj Daniels has been actively involved in five different verticals. He will be sharing his personal journey through some of his various endeavors and how he uses his past experiences to now teach and mentor young entrepreneurs and business students. He will also share why and how he has become known as the Connector in the Dallas Startup ecosystem and his systematic way of creating a network of people that bring value to each other.
