#### Les Jensen

Les Jensen began his lifework as an engineer in broadcast television, where he worked every day with high-power television transmitters. This hands-on experience with immense amounts of energy would later convey to him the language that he would ultimately use in his spiritual writings. As he worked with his own energy, clearing out that which did not promote his dreams coming true, Les discovered a purity located in the core of his being. After releasing his unresolved subconscious patterns that had bound this energy, Les discovered an inner light within himself, a light that had always been there, the light of love itself. In 2009, Les created New Human Living, a platform that promotes
