Family Caregivers Unite! Archives Available January 26th 2016: Memory Lane TV Therapeutics for Dementia

Iban Maino, who is based in Portland Maine, has 25 years of experience as a film director and producer. He refocused his expertise on dementia when he learned that his grandmother was diagnosed with Alzheimer's disease. He talks about his career and says why the diagnosis of his grandmother's Alzheimer's disease caused him to change his career so decisively. He explains the ways in which he provides Memory Lane TV Therapeutics, <http://memory-lane.tv/>, for dementia. He discusses Memory Lane TV's use of techniques of reminiscence, story-telling and the sense of smell. He explains Memory Lane TV'

Alban Maino

Based in Portland Maine, Alban Maino has 25 years of experience as a film director and producer. He refocused his expertise on dementia when he learned that his grandmother was diagnosed with Alzheimer's disease. He created Memory Lane Therapeutics, <http://memory-lane.tv/>, in 2013 with a committee of geriatric physicians and health industry experts.
