**February 05th 2016: The Social Project Manager**

Rick A. Morris interviews Peter Taylor about his latest book – The Social Project Manager (Balancing Collaboration with Centralised Control in a Project Driven World) Social project management is a non-traditional way of organising projects and managing project performance and progress aimed at delivering, at the enterprise level, a common goal for the business but harnessing the performance advantages of a collaborative community. Peter is known for his humorous and direct delivery style and has entertained audiences around the world. An author of several best-selling books, please join Ric
