The Money Answers Show Monday at 12 Noon Pacific January 25th 2016: Jonathan Clements Money Guide 2016

No sane person would choose market timing as an investment strategy for 2016, but having Jonathan Clements as our scheduled guest just three chaotic weeks into January is as perfect as timing can get. The problems facing investors are clear enough: The 2015 "bull market" ended the year with the S&P 500 in negative territory. The Federal Reserve's quarter point rate hike reassured those who saw it as confirming economic improvement, but others saw it as threatening bond prices, and still others worried how much further rates would have to rise to restore the Fed's power to control monetary po
