March 04th 2016: Reboot Your Life at 60 plus: What's Your Next Chapter?

According to United Nations estimates (<http://bit.ly/1Munrdx>), there were "901 million people in 2015 aged 60 or over, comprising 12% of the global population." This percentage is expected to increase to almost 25% in most major areas of the world by 2050. If you count yourself as a member of this growing community, what does the next chapter of your life hold? Whether or not you see retirement on your horizon, envisioning your future, setting goals, and building a plan to receive the support you need can free you up to uncover your true desires. These steps also offer you a framework to explore
