March 03rd 2016:Wings of Light: The Healing Power of Sound

Today we have our special guest Jill Mattson and she will be discussing the Healing Power of Sound. Jill's Wings Of Light is dedicated to the sharing and advancement of Sound Healing; to spread awareness of the many novel uses of Sound Energy for the benefit of mankind. She will also talk about sound healing techniques that have been used for growth and enlightenment throughout the ages. The information of ancient origin is combined with modern scientific findings to present innovative methods to achieve restored health and vitality, emotional strength, intelligence, and higher consciousness.
