March 29th 2016: Forgiveness--Consciousness In Action

Joining me today is Pamela Gregory from Florida. Pamela has been doing work with LOVE7BILLION.org, a group of conscious people who are promoting the spiritual practices of forgiveness, love in action and more. In essence, what we are planning to discuss are the steps to take if one desires to raise their individual consciousness, which effectively will contribute to raising the collective consciousness as well. What greater task could we have than contributing to the awakening of the planet. YOU are needed. WE can do this together.
