March 24th 2016: FinTech, FemTech, and Finding new voices

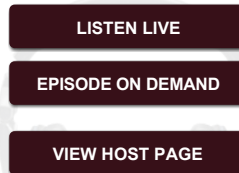

Both the financial and tech worlds have reputations for being male centered work environments. Along with the technological disruption in financial services, there has been a movement to bring more women's voices to the new technologies. Our host today, Sam Maule, has created a site-<http://www.femtechleaders.com/> - that highlights the contributions that women leaders are bringing to the fintech space. Today, Michelle Katic, Founder and CEO of BankersLab and Tahiri Dosani, Director of Portfolio engagement, two of the women interviewed are joining Sam for a conversation about the excitin
