April 05th 2016: Small Business Capital Solutions

This episode offers an overview of capital (funding) options for the small and mid-sized businesses of main street America. This episode will explore both "internal" and "external" capital (funding) options and is a preview of future episodes. This episode will introduce internal capital solutions such as business cost savings ideas, revenue generation, and the concept of "leveraging". In addition the we will examine the current market conditions for external capital (funding) and the debt capital (loans) solutions to include: term loans, lines of credit, revenue advances, equipment financ
