**Matthias Kröner**

FIDOR Bank has gained massive recognition for its innovative approach to banking in Germany. With a full banking license, the bank launched in 2009 with social media as its core focus for customer connectivity. Using Facebook as a platform, the bank enables the youth generation to save in Diablo Gold whilst exchanging euros for real Gold. To find out how FIDOR became the most innovative bank in the world, Chief Executive Officer Matthias Kröner joins us for the evening. Matthias Kröner has been CEO of FIDOR Bank AG since 2006, responsible for investor relations, corporate communications, strategic development and communities. He is a passionate and knowledgeable entrepreneur who started h
