### Featured Guest

#### Erika Flora

Erika Flora started her career as a Microbiologist turned Project Manager and has always had a passion for improving how companies manage work and serve their customers. In 2006, she started BEYOND20, a consulting and training firm built on expertise in IT Service Management and Project Management. Erika has worked as an adjunct professor of Project Management at San Diego State University (SDSU) as well as a board member and volunteer with a number of professional organizations. She holds a Masters Degree from the University of Florida and is a skilled writer, blogger, and presenter on a variety of technical and business topics.
