May 10th 2016: Code of Support Foundation

Code of Support Foundation (COSF) provides essential and critical one-on-one assistance to struggling service members, veterans and their families (SMVF) who have the most complex needs. We are dedicated to leveraging the nation's full spectrum of resources to ensure all members of our military, veterans and their families receive the support services they need and through their collective sacrifice have earned.

Featured Guests

MG Alan B Salisbury

General Salisbury is the CEO and founder of the Code of Support Foundation. He completed a 30-year career in the U.S. Army, with his final assignment as the Commanding General of the U.S. Army Information Systems Engineering Command. He then spent 12 years in industry in R&D assignments with Contel Corporation (President, Contel Technology Center) and the Microelectronics and Computer Technology Corporation (MCC) (EVP & COO), and then headed U.S. operations for Learning Tree International (Chairman & President).
