**Thursday at 9 AM Pacific**  
**May 12th 2016: Panama Papers: Investigating Corporate Leaks**

The release of the Panama Papers by an unidentified whistleblower has many companies circling their virtual wagons. This leak of 11.5 million confidential documents (2.6 terabytes) detailing off-shore tax havens including names of shareholders and directors have many scrambling for cover. The message, however it clear. No company is safe from cyber-attack hackers. Join New Zealand security expert, Daniel "Danny" Toreson, to hear him discuss investigating corporate leaks and managing defamatory information.
