The Self Improvement Show Archives Available May 19th 2016: Rejuvenate Your Life

With a focus on women leaders who refuse to play small but are being held back by exhaustion and fuzzy brain, getting optimal brain function and vitality back is a favorite topic of conversation and we are going to look at it on this show. Julia Renee Doering is an expert at understanding and interpreting how humans are designed and what it takes to achieve full function. She has been called "the most powerful healer on the planet today, and a real life miracle worker." If you are interested in learning how to live 100% healthy, wealthy and in love with your life, don't miss this show.
