Welcome to Exploited Crimes Against Humanity, a global interactive internet community dedicated to educating against exploitation. This week we will analyze real cases of sex trafficking, sextortion, and how child pornographers use online gaming and the dark web to exploit and violate young people. There are always three sides to the story. The Predator, the Victim and Law Enforcement., Opal Singleton is your host and she has trained tens of thousands of government agencies, law enforcement, civic leaders, school administrators and faith based leaders on how to recognize human exploitation.
