Featured Guest

Lee Jones

Lee Jones, CEO and co-founder of Rebiotix Inc., is an experienced medical technology executive and serial entrepreneur. With deep experience in the medical devices industry and in managing and advising academic scientists on commercialization efforts, Rebiotix marks her first foray into biotechnology. She is leading a fast-paced effort to develop a new way of treating disease through Microbiota Restoration Therapy (MRT). The company's first MRT is a biologic drug targeted at recurrent Clostridium difficile infection.
