June 16th 2016: Ready for the Digital Transformation? A CIO's Prescriptive Guide

The buzz: Ring. Ring. Pick up! Hello, CIO. This is your wake-up call! Your business, regardless of industry, WILL be changed by the combined forces of mobile, social, cloud, and analytics, and their impact on business models, processes, and people inside and outside of your enterprise firewalls. Welcome to the Digital Transformation (DT) revolution. How will your company survive? Ask these two questions. What needs to change? How can you get ready for the change? The experts speak. Allan Adler, Digital Bridge Partners: "This process of Creative Destruction is the essential fact about capita
