June 28th 2016: Fraud, 3rd Party Risk, and Live Business

The buzz: Risky business. As your business goes digital, you face a dual challenge: keep everything humming while protecting your company from compliance breaches, anomalies in transactions, and other risk exposure from your customers, suppliers and partners. Will tech tools like machine learning and predictive analytics help accomplish this in real time? The experts speak. Carlos Russell, Ternium: "Learn from the mistakes of others. You can never live long enough to make them all yourself" (Groucho Marx). Stefan Schaffer, EY: "The future is already here. It's just not evenly distributed
