July 05th 2016: Conversations with Passion - Mimicking Mentors for Success

What are the characteristics of super successful people? Corey Poirier should know because he has interviewed over 3000 peak performers and knows what to do and what to avoid if you want to get full control of your life. As a highly sought after professional speaker and occasional stand-up comedian, Corey knows the value of communication for developing all areas of life. Corey will describe his journey and how his speaking has significantly influenced his life.

Featured Guests

Howard Rankin

Dr. Howard Rankin is a former psychologist now coach, speaker and writer with a reputation for taking scientific ideas and turning them into entertaining and engaging content that any reader can understand and use. He has run addiction and eating disorders units as well as his own center that integrated neuroscience into a psychotherapy practice. He is an expert in the latest cognitive neuroscience research which shows how humans really think. Howard has written 10 self-development books in his own name and has co- or ghostwritten more than 20 others on neuroscience, business, spirituality and sports as well as writing memoirs.
