

Breaking Banks Fintech
Thursday at 12 Noon Pacific
July 07th 2016: Fintech Bots, Brands, and Entrepreneurship

Will AI change the nature of humanity itself? Today, Brett talks with Katie Aquino, better known as Miss Metaverse, about the expectations for the future and what that means for us in every aspect of life. Scott Raskin, CEO of Spigit comes on the show to discuss why banks should be looking and fostering the innovative ideas among their own ranks. <http://bit.ly/29tekec> Aspiration, named by Time magazine as the best stand-alone checking account in 2015, comes on the show to discuss how they plan to do well by doing good, and their policy of allowing their customers to set their fees.
