July 21st 2016: Living Well in the Digital Age

Most people want to be well and live happy, productive lives. However, in these times of high stress and sedentary lifestyles, this can present a challenge and some people go from physician to physician seeking help. But there is more to healing than simply visiting the doctor's office and getting a prescription. Today we are talking with Steven Keller of Keller Healing Arts Center in Austin, Texas about all aspects of healing. He will share with us what he does at The Keller Healing Arts Center in Austin, Texas to help people regain their health so they can live the full, productive lives the

Featured Guest

Steven Keller

Steven Keller has almost 20 years' experience in helping clients overcome physical and emotional challenges. His Double BA from the University of California at Davis has given him the ability to think critically. Subsequently 2 years of Bible School gave him the ability to effectively apply biblical and spiritual principles to change people's lives. He has spent many years building large sales organizations and helping people reach their potential in business.
