August 08th 2016: The worlds future depends on women shaping a new paradigm

This episode is a special feature on the Global Woman Summit -London July 30-31- where Gina Lazenby engages with four speakers from the event. First, Gina discusses its importance with Summit founder Mirela Sula then she hears about the feminine way to run what is seen as a highly masculine business - a motorcycle scrap yard - with owner Helen Walbey. Next is a discussion of the 'Ask the Men' Panel with panellist Joe St Clair on changing masculinity and finally, Keynote speaker Prof Ervin Laszlo summarises the new paradigm the world needs and the essential role women will play. The 2 days
