## Turning Hard Times into Good Times Tuesday at 12 Noon Pacific

**August 09th 2016: Economic Hedonism is leading America to Enslavement**

The Rev. Larry Beane II, Jeff Deist and Michael Oliver are this week's guests. Hedonism is defined as "the ethical theory that pleasure -in the sense of the satisfaction of desires- is the highest good and proper aim of human life." Deist who recently wrote an article titled "Economic Hedonism--How Congress and the Fed Mortgage the Future" will explain how America like the Israelites of the Prophet Samuel's days, is relinquishing personal liberty to realize personal and national genius in exchange for security and hedonistic pleasure. Rev. Beane will help connect the dots between the demise of

#### J. Michael Oliver

J. Michael Oliver entered the financial services industry in 1975 on the Futures side, joining E.F. Hutton's International Commodity Division, NYC. He studied under David Johnson, head of Hutton's Commodity Division and Chairman of the COMEX. In the 1980's Oliver began to develop his own momentum-based method of technical analysis. In 1987 Oliver, along with his futures client accounts (Oliver had trading POA) technically anticipated and captured the Crash. Oliver began to realize that his emergent momentum-structural-based tools should be further developed into a full analytic methodology. In 1992 he was asked by the Financial VP and head of Wachovia Bank's Trust Department to provi
