Featured Guests

Renee Shepherd

Renee Shepherd is widely regarded as a pioneering innovator in introducing international specialty vegetables and herbs for home gardeners and gourmet restaurants. After receiving her PhD from UC Santa Cruz and teaching in the Environmental Studies department there, she founded the mail order company Shepherd's Garden Seed in 1985, which she ran until 1996. In 1998 she founded her current company, Renee's Garden, offering her selected choices of seeds for exciting new and time-tested heirloom gourmet vegetables, culinary herbs and a wide range of fragrant and cutting flowers, sourced from seed growers both large and small around the world. She has published three kitchen garden cookbooks

Jim Berry

Ten years ago, Jim and Jonathan Berry founded J. Berry Nursery with the vision of discovering valuable and beautiful introductions to the market. Located in Grand Saline, Texas, the company has an extensive trialing process to ensure that all new plant genetics introduced will be top performers in the garden. Jim is a seasoned, award-winning nurseryman with a passion and vision for the horticultural industry. J. Berry seeks to develop new plants and packaging that is retail focused in high volume product categories, with domestic and international appeal. Due to their focus on retail, most of the new product development efforts center on flowering products that are in-line with recognized
