Is your personal credit score reducing your employment options, and your ability to purchase property or make other investments? Would you like to start a business in the United States? Since your credit score has a key impact on the opportunities you have to advance your lifestyle and business, this episode will focus on what you can do to improve your credit profile. If you're an entrepreneur, or are planning to do business in the United States, you'll learn how to obtain credit, even if you are not a U.S. citizen. Better understanding how the credit systems works will enable you to build an
