August 30th 2016: September Eclipses: Letting Go To Embrace Love

Daniel Sowelu, international leader in the use of the ancient and magical art of 'experiential astrology', returns to continue our discussion on how we can best prepare ourselves for the energetic shifts and changes we will be asked to meet with the two eclipses in September? Exploring questions such as: what are the spiritual opportunities inherent for us individually and collectively at this time? What therapeutic practices could we utilize so we can stay grounded and present, open-hearted and grateful, to this invitation from the Universe to let go what no longer serves us? In what way is a
