September 01st 2016:Encore: The Role of the Sexual Assault Nurse Examiner

The Sexual Assault Nurse Examiner or SANE, plays a significant role when a report of a sexual assault has been made. The sexual assault nurse examiner conducts forensic examinations on reported victims and suspects of sexual assault events and has special skills to assess patients, identify injury, and collect evidence. A SANE nurse must be objective and a good listener. The forensic nurse will memorialize the examination both through documentation and photography, all which will be incorporated as part of the criminal discovery file. Forensic Sexual Assault Nurse Examiner Cari Caruso is j
