### Featured Guests

#### Leslie Ellis

With the launch of Savvy Selling NOW! in 2014, Leslie combined more than 30 years of sales experience, her passions for sales, people and fun into a coaching and training business for solo-preneurs and microbusiness owners. Her background includes earning an MBA and 20 years with large organizations such as Oracle, Sony and Schwab. This experience spanned every level of management and many sales processes. She was awarded multiple honors including gold club three years in a row. Gold club required over \$500K in sales per year. Leslie found her next adventure working with small-to-medium-sized companies where she found new approaches to selling. In the end, she found building relation

#### Nina Price

Nina Price never thought much about being a superhero until the first time she googled herself. In the top spot on Google for Nina Price was the Marvel Comics character Nina Price, Vampire by Night. Not only is she a vampire, she's also a werewolf at certain times. Nina then realized that even though she's not a werewolf or a vampire, she too has superpowers and uses them for good. Nina is a former Silicon Valley high tech marketing exec who after twenty years in the computer industry learned that it was time to do something else. In 2001, she pushed her own reset button and reinvented herself as a board certified healthcare professional so she could serve other women as they tackle the

#### Dr. Julianne Blake

Dr. Julianne Blake is a leading authority on using Stress Transformation as a powerful, primary path to physiological and emotional wellness and personal power. She has been inspiring - and empowering - women through her speaking, writing (The Success Secret, best-seller co-authored with Jack Canfield), coaching and private therapy practice for over thirty years. She is often called, "The Joy Doctor." Her mission springs from her hunger to overcome the trials of her own degenerative disease (multiple sclerosis), rather than be a victim of it. She dedicates her life to guiding women who face life-threatening cancer - or overwhelm, anxiety and disabling toxic STRESS in their business -

#### Ana Fatima Costa

What I want more than anything else is peace. For as long as I can remember, before I make a wish -- while blowing out candles on a birthday cake or throwing coins in a fountain -- I "hear" three words as soon as I close my eyes: Peace. On. Earth. Yet my personal and professional life has been filled with turmoil and drama. Court reporters must maintain their composure at all times and detach from the emotion, politics and drama of lawyers and witnesses at a deposition or trial, while simultaneously detaching from their own internal reactions to the intensity. After almost a lifetime of struggling with self-acceptance and self-love, adapting this profound process changed my li
