### The Career Confidante Monday at 3 PM Pacific

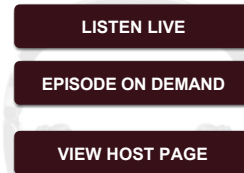

September 12th 2016: How to Moonlight Without Losing Your Day Job

Most professionals today are doing more than one job – building portfolio or hybrid careers to improve their earning potential, develop skills they enjoy using, or work toward the new definition of retirement. In most cases, this moonlighting or consulting is a healthy habit at all stages of one's career. On this episode of the Career Confidante, host Marie Zimenoff will welcome vocational expert John O'Connor. John will share his expertise and help you design your hybrid career while protecting your online brand, marketing without looking distracted, and keeping your day job.
