**September 19th 2016: Encore: Real good homecare = Real good skin = Real loyal clients = Real Strong Profits**

Most estheticians want to have their clients on a proper homecare regimen. The challenge for many of us is how to make it happen. It is critical for your client's skin health to have them on a proper home care regimen. In this session we will explore how to get and keep your clients on your homecare recommendations and products. We will establish the importance of why your clients need to be on ONLY your home care products and go through my step by step instructions and tips on how to accomplish this goal and so much more. Our special guest, Michele Corley, promises that if you tak
