September 27th 2016: Encore: Whole Pet Healing with Dr. Dennis W. Thomas

In this episode, veterinarian Dr. Dennis Thomas will discuss the content of his remarkable book, Whole Pet Healing. In it, Dr. Thomas delves into the heart-to-heart link we share with our cherished animal companions, and how we can influence their healing - and they, ours. Dr. Thomas presents a case for holistic pet care backed by quantum science and explains the nature of the energetic body and the ways we can tap its extraordinary curative abilities, using techniques ranging from Traditional Chinese Medicine and acupuncture to intention and intuition. He sheds light on our power to deliver I

Dr. Dennis W Thomas

After two decades of practicing Western allopathic veterinary medicine, Dr. Dennis Thomas learned Traditional Chinese Veterinary Medicine and became certified in veterinary acupuncture and Chinese herbal therapy. Always searching for a deeper understanding of healing, he studied the principles of quantum physics, which confirmed the idea he'd always had: that he was not the one healing pets, but was rather an instrument to help direct their healing. Dr. Thomas has a holistic veterinary practice in Spokane, Washington, where one of his great joys is educating people so that they, too, can direct healing for their animal companions. He and his wife, Lesa, share their lives with two dogs, Satch
