September 27th 2016: Start up Growth is Booming

Tune in

Tuesday at 5 PM Pacific Time on
VoiceAmerica Business Channel

Startup growth in the US is very healthy, back to pre recession levels. Every city should be making promotion of startups a priority: Social media's effect on direct marketing: Facebook exaggerates key metric to advertisers by as much as 80 Percent: Google addresses the worldwide illegal fishing problem through its new satellite based technology: Eat Café in Philadelphia, enjoy a nutritious meal and pay what you can afford, nothing if that reflects your situation. A wonderful initiative that we really hope catches on. Today's interview is with Brian Duncan, co founder of Chowley, a new techn

Brian Duncan

My guest today is Brian Duncan who has over 12 years in the restaurant industry beginning his career in college working every job from dishwasher to server. After graduating from Perdue University Brian went on to work in food and beverage consulting focusing on international chains and consumer products manufacturing for such companies as Hilton and Revolution Foods. During his time consulting Brian focused on creating efficiencies by utilizing technology. Brian's background paved the way to multiple tech startups including Chowly. Brian now serves as co-founder and board member for Chowly Inc. and is primarily focused on business development, sales and marketing. Chowly integrates y
