**October 13th 2016: The Statue of Liberty: Goddess in the New World with Robert R Hieronimus and Laura E Cortner**

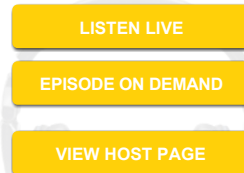

Women are an underutilized resource. When I heard actress Connie Britton say this in an interview, I was stunned by the twist that she gave gender equality. I had never heard it put quite this way. Giving women full rights isn't just a matter of fairness or of equal opportunity. Not allowing females access to an education and to employment in all fields and at all levels, deprives us of resources. Since women think differently than men and see the world differently, we are depriving the world of new ways of thinking, inventions, cures for disease and solutions to problems that have been plagui
