October 20th 2016: Wellness Care

Dr. Troy Bjorklund is a Chiropractor. For some of you the word "chiropractic" brings a negative image and some of you would never consider seeing one for your own health challenges. Others have experienced some remarkable results at the hands of a chiropractor. I, personally, have had only positive healing experiences from chiropractic in times when no one else could help me. As an R.N. with a Master's degree I did not accept chiropractors as true health care practitioners—that is, until the M.D.s at a most prestigious medical institution told me to go home because they didn't know what to do
