## Gonino Wellness Radio

### Gonino Wellness Radio Archives Available November 11th 2016: Kid Against Chemo

Jared is known as The Kid Against Chemo and his story went viral when he walked away from conventional medicine. He beat the odds the doctors gave him 2 years ago this past July. Jared was born into conventional medication when he came into this world with a rare heart defect called hypo plastic left heart syndrome. At 4 months of age Jared needed a heart transplant. Jared and his mom Lisa have spent Jared's life in and out of hospitals and doctors offices. As he grew up that became normal to him. Jared's mother Lisa always promised herself when Jared was old enough to make a decision a

#### Jared Bucey and Lisa Diacik

Jared Bucey at 16 walked away from chemotherapy with stage 4 Hodgkin's Lymphoma and his mother Lisa by his side. After being in and out of hospitals his whole life he was done with the needles and the drugs. He wanted a natural alternative to rid his body of cancer and they set out to find it. Two years later they are here with us today to tell their story. Jared is now 18 years old with a new lease on life and cancer free. He is a public speaker serving children and their parents who are also struggling with disease and wanting to take an alternative approach to healing. He has written his autobiography and promotes a healthy holistic lifestyle via his social media sites. His mother Lis
