The staffing world is ripe for disruption. There is a buzz happening and some crazy things going on in the staffing world i.e. Microsoft buys LinkedIn. Facebook launches jobs page, Randstad buys Monster for pennies on the dollar. Staffing agencies are expensive and quite frankly unnecessary. Everything is moving towards on demand and automation. Why not staffing? Rick will interview Chase Morrow who thinks differently about staffing. As a long time expert of the industry, Chase is building a new way to attack an old problem. Just like Amazon, Uber, Dell, Southwest, and other disrupters, Ch
