November 11th 2016: Disrupting the Staffing World - Chase Morrow

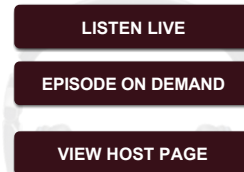

The staffing world is ripe for disruption. There is a buzz happening and some crazy things going on in the staffing world i.e. Microsoft buys LinkedIn, Facebook launches jobs page, Randstad buys Monster for pennies on the dollar. Staffing agencies are expensive and quite frankly unnecessary. Everything is moving towards on demand and automation. Why not staffing? Rick will interview Chase Morrow who thinks differently about staffing. As a long time expert of the industry, Chase is building a new way to attack an old problem. Just like Amazon, Uber, Dell, Southwest, and other disrupters, Ch

#### Chase Morrow

Chase Morrow is an entrepreneur with a passion and proven track record for start-ups. Chase founded ITAC Solutions which grew from a kitchen table to an Inc. 500 company. At the same time, Chase founded Accurate Mailing which successfully grew from a bootstrap idea into one of the most recognized direct mail companies. Chase also founded Moxy and MoxyUp. After selling these 3 companies, Chase has recently launched a new company called FETCH. Picture match.com meets Tinder for talent and you have FETCH. FETCH, is a hiring platform with a unique twist-it is completely TALENT DRIVEN. Built to disrupt the antiquated and resistant to change staffing Industry while using cutting edge software t
