November 16th 2016: Building and Leading from Brazil and the US: A Perspective of a Man Who's Been on the Court of Business from Both Sides of the Equator

Today's commerce takes place in an international marketplace, and many executives leading the largest Fortune 500 companies have lived and worked across the globe. Their business acumen is informed by a multi-cultural, multi-lingual set of experiences that contributes to their problem solving, operational effectiveness, and innovation initiatives. Recently, after leadership roles in several other Brazilian companies, Mr. Guimaraes invested in a steel structure manufacturing company in Minas Gerais, Brazil, and then contributed his talents to grow and improve quality, productivity and the lea
