November 22nd 2016: Revitaliza: Shining Example of Vibrant Success

Revitaliza is a woman owned green building company in Mexico committed to improving the world and the lives of their employees and clients based on their services and the company culture they have created. Also embedded in their culture is empowerment of women. Revitaliza and its owner are truly "positive deviants" and a shining example of a company making a positive impact and making money. During the interview they talk about how they are shifting agreements within their company and the impact this has on their employees, their process efficiency and their external stakeholders.
