**December 06th 2016: Breast Cancer Conquero's Amazing Journey**

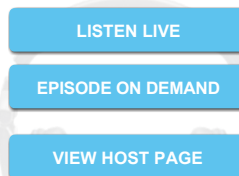

Annie W. Brandt was diagnosed with advanced-stage breast cancer on Friday the 13th of July, 2001. It was found in her lymphatic system, metastatic breast cancer was the diagnosis. The doctor immediately booked her for a double mastectomy, chemo and radiation. However due to her dysfunctional immune syndrome, she knew traditional chemo and radiation would kill her. Her doctor said if she did not do it she would be dead in 6 months. From this amazing journey Annie has gifted us a blueprint to build your own cure, "The Healing Platform". We will discover what thousands have done to conque

### Featured Guest

#### Annie Brandt

Annie Brandt was diagnosed 15 years ago with cancerous tumors/lesions in her breast, lymph, brain, and lungs. She was given 3-5 months to live. Rather than get her affairs in order, she decided to research and devise a path for survival. Every day, cancer patients ask Annie how to be a survivor. She founded the Best Answer for Cancer Foundation to improve the quality of life and treatment of cancer patients with a holistic platform, targeted cancer therapies, and a patient-centered approach. Best Answer for Cancer Foundation (BAFC) believes the best standard of cancer care is one that provides the best quality of life during treatment and the best outlook for a long, vital life. Annie
