**December 28th 2016: Co-Housing in the Future of Real Estate**

In this episode of the The Future of Real Estate, we are exploring Co-Housing, an intriguing, growing lifestyle choice. Many people are unfamiliar with the concept and are quite intrigued with the idea once they hear about it. Co-Housing is the concept of purpose built neighbourhoods and communities, with the intention of stronger community ties and a closer connection with neighbours. It is essentially a return to the traditional Village. We will discuss why people are gravitating towards this unique (for now) lifestyle, how it works, why it is in so much demand, and where you can
