STEWARDSHIP THROUGH R.E.S.P.E.C.T

### Stewardship through R.E.S.P.E.C.T Archives Available

December 23rd 2016: Solar Power Rocks

Are you interested in understanding how solar power could work in your home? Learn the ins and outs of renewable solar energy in a residential application. Each state has different laws and rules, and each electric company has their own way of doing business. Founder Dan Hahn has spent years collecting the resources to provide answers to these questions and many more. Join our discussion to hear how Solar Power Rocks!

### Featured Guests

#### Dan Hahn

Dan founded Solar Power Rocks with Dave Llorens in 2007. Possessed with a mission to communicate the state by state return on investment for solar energy in plain English, Dan spearheaded a consumer-centric approach to solar policy writing and research in all fifty states.
