January 12th 2017: Deepak Chopra on Consciousness and the New Holistic Science

In Deepak Chopra's new book "You Are the Universe" (February 2017), Deepak concludes that while the old science of an external physical universe has been mortally wounded by the "new" science of quantum physics, quantum physics itself raises more questions than it may be answering. As a response, he offers a new interpretation of the universe—one infused with consciousness and which can serve as a reliable foundation for a future science that is more inclusive, more holistic. This new interpretation is based on "qualia" (units of experience) instead of quanta (units of energy), and describes
