Breaking Banks Fintech Thursday at 12 Noon Pacific January 05th 2017: The Fourth Transformation

Today we are starting the new year diving into Artificial Intelligence! Brett talks to Robert Scoble and Shel Israel about their new book "The Fourth Transformation" and how Artificial Intelligence, Virtual Reality, and Augmented Reality are going to change our every day existence. Robert Scoble and Shel Israel have been researching, writing and speaking about technology's impact on the near-term future together and separately since 2005. They are best known for two critically acclaimed, best-selling tech business books: Naked Conversations (2006), which is credited with explaining the
