In life, there are circumstances we have control over, and those that we don't. It's those difficult, out-of-our-control times that build our resilience and teach us how to push through. Challenges come in many forms and can impact many areas of our lives. Rick will interview Alana M. Hill who has written two books about just that, recognizing that her trials had made her stronger and helped her grow in her faith. It has helped Alana lead with love. This is the Ms. Engineer Way in a nutshell.
