January 27th 2017: Dalychia and Rafaella of Afrosexology on Political, Revolutionary, and Empowering Sex and Sexuality

Dalychia Saah & Rafaella Fiallo of Afrosexology talk live about their vision for sex and sexuality. Afrosexology was birthed out of our desire to experience a more sex-positive Black community. One that encourages self-agency & promotes love in regards to our bodies, relationships, and sexualities. One that liberates us from the sexual shame & policing that we've inherited from generations of sexual & body oppression. One that follows in the tradition of Black sexual politics by seeking to rediscover and reclaim our sexuality.
