HEALTH & WELLNESS

Good Grief with Cheryl Jones
Wednesday at 2 PM Pacific
February 22nd 2017: All the King's Horses

Barry Milazzo's beautiful son was born healthy and strong. But after two childhood immunizations, he became severely disabled, unable to communicate, walk or meet virtually any developmental milestones. With his faith severely tested, Barry deepened his own understanding of God in his life, learning to surrender to whatever might come next, while listening closely to any whispers of his own part to play in inviting his son's very best life. Barry's is a story of healing, and of learning to let go of control!
