February 23rd 2017: Collaboration and Critical Thinking in This Age of Lies

Lies, alternate facts, fake news, goldfish, can't discern news, advertising, social media, tar sands, Hollywood stars, Hemisphere, SLO nukes, teaching, Standing Rock, blameing, anger, fear, barriers to communication ... Today, we explore and delve deeper into all these issues. Why it is more difficult to collaborate, or even dialogue, these days. Why does it seem increasingly difficult to get disparate groups of people to work together? Whether politically, economically, environmentally or socially, the conversations are increasingly acrimonious, accusatory and less truthful. What is "tr
