Albert Einstein said, "I have no special talents. I am only passionately curious." Not that curiosity can make everyone 21st century Albert Einstein's, but curiosity is a must for a successful life. Asya Gonzalez interviews bubbly debut novelist, Katherin Arden, author of *The Bear and the Nightingale* as she relates her journey from being a student living in France and Russia and her escape to Hawaii where she decided to write her first book. The praise for her book is ubiquitous and she has two more in the works. Joven Hundal focuses his segment on millennial curiosity, or the lack thereof, in
